

Get valuable feedback from your guests instantly with mobile interactive surveys...

Its simple...

1

Your guest scans your QR code with their mobile or tablet

2

They complete your survey on their own device

The response is instantly recorded and sent to you

Its very low cost...

We create your own custom mobile guest survey which can include videos, pictures, web links and more **for just \$99**

There is nothing else to pay for the first year. At the end of the first year you have the option to continue for just \$144 per year.

You can modify content or change your survey whenever you like and your QR Code doesn't change.

Find out first...

Provide your guests with a direct and convenient alternative to social media and Trip Advisor to express their views about your business **with you first!**

Print your survey code on room stationary, receipts, invoices, business cards, brochures, menu's, posters - Anywhere!

It's easy

Easy to use drag and drop functions enable you to quickly and easily create surveys and forms that can include features such as your logo, pictures, web links, documents, signature panels and even video's.

Powerful Analytics

Each time your code is scanned a comprehensive suite of analytics tools record user engagement and graph data trends - even for specific question & answer responses.

Any device

ScanLink is not a device restricted App. Any web enabled mobile or tablet can access your feedback form instantly.
