

Find out what your customers think about your business with mobile interactive surveys...

ONLY
\$**99**
to get started

Its simple... Get valuable feedback about your business instantly

Your customers scan your QR code with their mobile or tablet

They complete and submit your survey on their own device

The response is instantly recorded and sent to you

No apps, no software to purchase and your first year is FREE!

We set up your own custom mobile interactive survey for just \$99

Your first code is FREE for the first year then just \$144 per year there after if you wish to continue - nothing else to pay!

Works on any web enabled mobile, tablet or PC

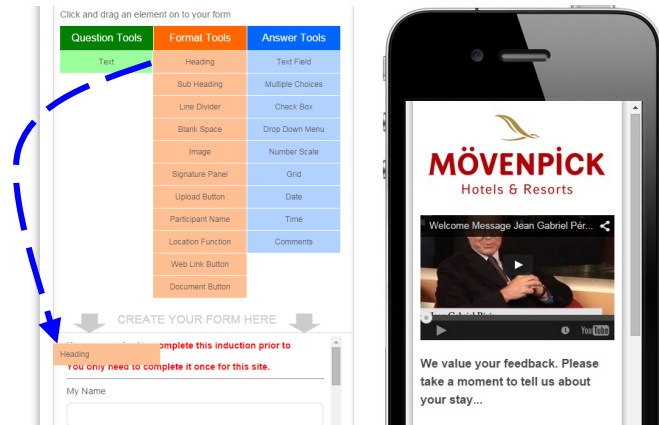

SCANLiNK
information on demand

Print your survey code on POS receipts, business cards, drink coasters, table signs, brochures, menu's, posters, invoices, packaging - Anywhere!

It's easy

Easy to use drag and drop functions enable you to quickly and easily create surveys and forms that can include features such as your logo, pictures, web links, documents, signature panels and even video's.

Powerful Analytics

Each time your code is scanned a comprehensive suite of analytics tools record user engagement and graph data trends - even for specific question & answer responses.

Any device

ScanLink is not a device restricted App. Any web enabled mobile or tablet can access your feedback form instantly.

Try it now...

Download a free scanner app for your smartphone
We like a free App called  **i-nigma**
