

GOLD COAST RECREATION PRECINCT

Emergency Information

Fire Evacuation

Group leaders will be responsible for evacuating their group in the event of a fire. The steps are as follows:

- **Remove people** from immediate danger.
- **Alert Fire Service**, break manual alarm, and call **000**.
- If **safe** to do so, close doors and windows to confine fire and smoke.
- **Evacuate** to the assembly area located on the oval.
- **Conduct a head count** to ensure all group members are accounted for.

Lock Downs

- In the event of a lockdown, take your group to the closest lockable room. Our staff will contact the group leader by mobile and provide instructions.
